Pro Sport Clean is professional hardwood floor cleaner designed to clean gym floors.

Light Cleaning

Dilute 1:32 (4 oz. per gal.) with water. Damp mop or autoscrub.

Normal Damp Mopping

Dilute 1:7 (18 oz. per gal.) with cool water. For heavy soil, work small areas, keeping floor wet at all times to prevent dissolved soil from drying. Pick up with wet vacuum or mop.

Routine Maintenance

1. Vacuum and shake all walk-off mats daily. This will help eliminate tracked in dirt and grit.
2. Dust mopping floors daily will also help removing all dirt and grit that can harm the finishes sheen and performance. Do not use dust mop treatments that can contaminate your gym floor.
3. Spot clean any areas that need immediate attention with **Pro Sport Clean**.

Cleaning Entire Gym Floor

1. Dust mop and vacuum entire floor to make sure it is free from all dirt and grit.
 - If using an Auto Scrubber: First dilute **Pro Sport Clean** with water, then add solution to the auto scrubber. Make sure you are using white polishing pads. Any other pads may scratch the finish.
*Note: Do not auto scrub your floor more than once a week.
 - If using standard 175 rpm buffer: First dilute **Pro Sport Clean** with water, then spray solution in an 8 x 8 area. With a white polishing pad attached to the buffer, buff the area that has been sprayed. Next tack the buffed area with microfiber pads or clean cotton towels. Then move to the next section.
 - If using microfiber pads or clean cotton towels: Dampen microfiber pad or towels with **Pro Sport Clean**.

Preventative Maintenance

1. Use walk off mats in doorways and hallways to prevent any dirt and grit from entering the gym.
2. Make sure all chair and table legs are properly protected with felt or rubber protectors. Unprotected chair & table legs can damage your gym floor.
3. Avoid excess moisture from wet mopping (string mop and bucket) and water leaks. This can result in your floor cupping.
4. Be careful not to drag heavy objects like volleyball poles across your gym.

Stability and Storage

One year shelf life on unopened container. Store in a climate controlled environment at room temperature. Do not freeze. Nonflammable
