Vacuum Cleaner

# POLIVAC

INTERNATIONAL PTY LTD

**NEW  
PRODUCT**

When you want a comfortable, lightweight, Australian-designed back pack, you can rely on the legendary long life and reliability of the Polivac 'Koala' Back Pack Vac!

Tough too - rotationally moulded for extra strength!

## Best For

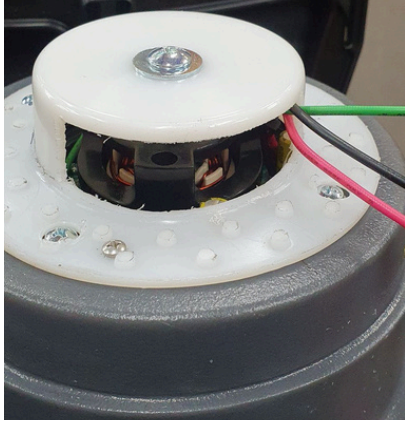

- All commercial and domestic carpet and hard floor applications
- General trades cleaning

## Recommended Surfaces

- All carpet and hard floor

Designed to be comfortable to use  
and lighter than other commercial backpacks,  
Koala is built tough for the toughest conditions  
for cleaners and tradespeople

**Dual Power 300W (normal  
mode) , 450W (boost mode)  
single stage BLDC motor**

We've given the Battery operated  
Koala more power to make a real  
difference to how thoroughly and  
how fast Operators can clean.  
Value-for-money and feature-  
packed.

**Ultra-tough body**

Koala's indestructible  
rotationally moulded body is  
built to last under the toughest  
commercial cleaning  
conditions – no cracking, no  
distortion.

**Soft foam harness  
for maximum comfort**

Fully adjustable waistband and  
contoured straps with added back  
padding. shoulder straps comes  
with adjustable chest bands. Suitable  
and very comfortable for both male  
and female Operators.

**Large capacity dustbag**

6 litre capacity keeps Operators on  
the job longer between bag  
emptyings.

Less downtime, more activity  
equals increased productivity  
equals increased profitability
